Chairman of the President's Distinguished
Civilian Service Awards Board

Dear Mr. Mitchell:

Your letter concerning the procedure for nominating and selecting candidates for the President's Award for Distinguished Federal Civilian Service interested me very much. The President's action in establishing this award is certainly of great assistance in meeting a definite need in the further development of the Federal career service.

Security considerations have prevented my making nominations in accordance with the instructions attached to your letter. This problem has been discussed with [redacted] and I am confident that a means will be found to present CIA candidates in the future.

Thank you for your letter and for the informative material which accompanied it.

Sincerely,

Signed

Allen W. Dulles
